[Showtime History Broadway Musical Theater](#)

While the origins of modern musical theater exist in Europe, this was very much a development of prominent playwrights and theater directors of the mid-19th century. The growth of musical theater on Broadway coincided with the relocation of the theater scene in New York, which saw the most famous theaters in midtown rather than downtown.

Musical theatre is a form of theatrical performance that combines songs, spoken dialogue, acting and dance. The story and emotional content of a musical - humor, pathos, love, anger - are communicated through words, music, movement and technical aspects of the entertainment as an integrated whole. Although musical theatre overlaps with other theatrical forms like opera and dance, it may be ...

But the fact is that, despite what most rock music fans may think (either because they hate Broadway musicals, religion, or both), Jesus Christ Superstar is not a corny attempt at hippying up the Bible, like its vastly inferior, non-rock Broadway musical contemporary Godspell, nor is it an example of that lamest of rock genres, born-again fundamentalist Christian rock. What it is, on the ...
